Senior Stay Out – After Prom Party

ALL NIGHT, FRIDAY MAY 18TH, SUBSTANCE FREE, STUDENT EVENT

Special Appeal to Underclass Parents and Guardians:

Your teens need your help, and so do we!

You may be wondering why we are writing to you regarding the Senior Prom and Senior Stay-Out After-Prom party when you may not even have a graduating senior! Actually, parents of underclass students support the event. In fact, no senior parents are allowed to chaperone the after prom party! After all, no senior wants to be at an “all night party” with their parents! At midnight, all senior parent volunteers must leave - and underclass parents remain to chaperone. We could really use your help, please see the attached donation sheet and let us know how and when you could help out by checking off an area and sending it back with your donation.

With donations we pay for the DJ, entertainment, games, raffle prizes, decorations, book awards, security, food, insurance, and so much more. While many parents volunteer to plan and organize the “Senior Stay Out,” the success of the event depends on parents of undergraduates - like you! Your donations will make sure that a night intended for celebration ... Prom Night ... remains fun, safe, and memorable for the Class of 2012. When your student is a senior, other parents will be working to make your night worry-free - and your child’s night one to remember!

One of the ways we keep the kids in attendance all night is to offer prizes which come from the generous contributions of businesses, alumni and parents. Last year there were over 110 raffle items, both small and large throughout the evening: ***students must be present to win!*** Some of the raffle prizes given away over the last couple years have consisted of:

- Kindle eReader ● 25” Flat Screen TV ● Digital Camera ● Blue-Ray Player ● Red Sox Tickets
- College Dorm Basket ● Small Refrigerator ● GPS ● iPads(2)

Prom Night can be one of the most memorable of a teenager's life. On a night like this we must work together to make sure that every graduating senior looks back on this night as one of the highlights of his or her life. Please help us make this a special - and safe - night for them. ***No Donation is too small*** and we appreciate your assistance and support.

Visit us on the Web to learn more about the “after-prom” event and all that it has to offer

***** VOLUNTEERS NEEDED *****

We are also looking for more parent volunteers to assist with the setup, chaperoning overnight, and clean-up and breaking down of the event. An event of this size takes hours to put together and with over 400 seniors and dates attending, we can never have enough help. Please consider volunteering (even if it is only for a few hours – see the attached donation / volunteer form for more information).

Sincerely,

Stephanie Ptak
Chairperson
